14th December 2018,

Dear Parents / Carers,

You may be aware that the Primary School performance league tables were published yesterday by the Department for Education. The league tables rank Primary Schools by their overall performance by the end of KS2 into the region that they are in.

We are delighted to let you know that out of 200 schools in the district we were ranked 15th. We have moved up significantly in the rankings over the last five years and this is credit to all the hard work of the pupils, staff, governors and yourselves working in partnership with the school, supporting us along our journey.

We look forward to continuing to make the improvements we need and ensure the children gain a broad and enriched curriculum preparing them for life beyond their school years with us.

May I also take this opportunity to wish you all a very blessed and happy Christmas and I look forward to continuing working with you all in the new year.

Yours Sincerely

Mrs Diane Smith
Headteacher
