This term the children will be learning:	
English	Performance poetry - pupils will be reading, writing and performing poetry. Playscripts - pupils will be writing and using playscripts. There will be a Y3/4 production towards the end of the term. Narrative (stories) - pupils will be writing their own stories using our topic as a stimulus. Non-chronological reports - pupils will be writing their own reports linked to our topic.
Maths	Pupils will continue their work on fractions - understanding, using and applying fractions. In geometry pupils will explore 2D & 3D shapes. Multiplication and Division work will begin to look at formal written methods. Pupils will also learn how to interpret data and represent work using charts and graphs.
Science	Light and Dark (Shadows) - pupils will learn about why we have light and dark and explore making shadows.
RE	Celebrating Easter - studying the traditions, symbols and the origins of Easter.
ICT	Control programming - programming software to provide commands for robots.

Topic

The Rainforest - we will be learning all about the rainforest and the animals that live there. Much of our work across the curriculum will be linked to this topic.
