<b>This term the children will be learning:</b>	
English	The children will be listening to the sounds in words, practising segmenting skills for spelling and blending the sounds to read the words. The children will also be working on sentence structure. Please make sure that the children read at home and practice their spellings. Thank You.
Maths	The children will be ordering and counting numbers up to 10 and 20. They will be practising their number formation and learning how to add and subtract numbers up to 10.
Science	The children will be learning about forces. They will be identifying whether objects are pushed or pulled.
RE	The children will be learning about the Harvest festival. They will also be reading about, and discussing different Christian stories such as, "The parable of the feeding of the 5000" and The parable of the Sower."
ICT	E-safety. The children will be using paint packages to draw images of playground toys. Children will also be practising opening and using different computer programmes.
Topic	The children will be studying toys during this half term. This topic will be linked to all areas of the curriculum. The children will be comparing old and new toys, looking at the forces that are required to move the toys and looking at story and information texts about toys.
