This half term the children will be learning:	
English	Traditional tales, sequencing events, character profiles, non-fiction reports and dictionary work.
Maths	Partitioning, numbers to 500, symmetry, interpreting graphs and data. Recognising odd and even numbers, addition and subtraction, rehearsing times tables, telling the time and problem solving using all 4 operations (+ - x /).
Science	Health and growth- recognise body parts, understand what we need to stay healthy and look at how medicines can make us better. Forces - making things move.
Music	Sing songs and rhymes together. Creating rhythm and pattern using a number of instruments including our own bodies.
RE	Celebrations including Shabbat, Passover, weddings and birth customs.
ICT	Using tools and skills to create a power point, including image searches and clipart.
Topic	Why do we like chocolate and chips? - Healthy lifestyles. Who are nurses and what do they do? Who was Florence nightingale? Why is she famous? How do we stay healthy?

Special events:	
Monday 7 th January	School opens
Friday 15 th February	School closes for half term
