This term the children will be learning:

English: We will be writing poetry using wow words and descriptive language, completing recounts and writing stories based on our class reader.

Maths: We will be studying multiplication and division calculations and word problems. We will also be solving fraction problems, reading timetables and completing work related to coordinates and translating shapes.

Science: We will be investigating sound. How do we hear sound? How can we soundproof things? How can we change the pitch and volume?

RE: Lent to Easter -We will be studying the seasons of Lent and Easter, learning about the sorrow of Good Friday and the joy of Easter day.

ICT: We will be making Powerpoint presentations about the journey of a river and its effects. We will construct a fact file describing the rivers around the world.

Topic: Raging Rivers - We will be investigating the journey of a river from its source to the sea. How do we use water? Where in the world are the important rivers?

Special events:

Play	
Trip to The Deep	To be sorted this week
<p>Notes: Please spend some time every evening listening to your child read and help them with practising their times tables and spellings regularly. Children will bring their Homework Diary home each evening for you to check. Please use it to communicate with us and to help your child become organised. Thank you.
