

My Holiday

A holiday in Romania is all about happiness and joy for all kids and grown ups alike. Nobody can imagine how incredible and funny it is.

My winter holiday this year was one of the best. First,I arranged the decorations. I really liked to decorate the Christmas Tree.I think the perfect holiday is when you spend it with your family and this is exactly what I did. I spent the Christmas and the New Year with my mother, my father, my brother and my cousin.

I didn't know what to buy for my father .I bought a watch with a silver strap for my father, an iris flower for my mother, a photo camera for my cousin, but it was much more difficult to find something for my brother. In the end I bought him an trinket with a whistle on it. I forgot to tell you:he is only 10 months old.

But I didn't write to say what presents I bought. I just wanted to say I had a great Christmas time and I wish everyone the same kind of Christmas.

My ideal winter holiday

Christmas is my favourite holiday. I like spending winter holidays with my family. I like Santa Claus to bring me a Cristiano Ronaldo T-shirt and his autograph. At Christmas I want my cousin, my uncles and my aunt to be close to me.

At Christmas I go caroling to my family and my neighbours.I spend the whole New Year's Eve Night with my friends until morning.

This is the best holiday!!

Martisor

Martisor is a traditional Romanian celebration of the coming of spring. It is celebrated on the March 1st of every year. Martisor is also the name of a talisman object consisting of a small decoration tied to a white and red string, symbolizing the coming of spring. It is one of my favourite holidays because now I can tell my mother how much I love her: 8th March, only one week later, is Mother's Day so I can start celebrating her now.
