	Please have reading books in school every day.				

This term the children will be learning:	
English	The children will be listening to the sounds in words, practising segmenting skills for spelling and blending the sounds to read the words. The children will also be working on sentence structure. Please make sure that the children read at home and practice their spellings.
Maths	The children will be ordering and counting numbers up to 20 and beyond. They will be practising their number formation and learning how to add and subtract numbers up to 10.
Science	The children will be learning about the different materials that toys are made from and describing them. They will also be investigating how toys move and making their own moving toys.
RE	The children will be learning about the Harvest festival. They will also be reading about and discussing different Christian stories such as the parable of the feeding of the 5000 and the parable of the sower.
ICT	E-safety. The children will be using paint packages to draw images of playground toys. Children will also be practising opening and using different computer programmes.
Topic	"Toy Story" - This topic will be linked to all areas of the curriculum. The children will be comparing old and new toys, making their own toys and writing about different toys. We will also be reading lots of stories about toys especially the "Old Bear" stories.
