Reading book	YES	YES	YES	YES	YES
Homework given	Reading	Reading	Reading and Spelling	Reading	Reading and Maths task
Homework returned	Maths task		Spellings		

## This term the children will be learning:

English	The children will be reading 'Handas's Surprise' and will make up their own version of the story. They will also make their own information books about food.
Maths	They will be learning how numbers can be split into tens and units. We will be using this knowledge to help us with adding up and taking away. We will also be learning how to count in steps of two, five and ten. The children will learn about shape.
Science	We will be exploring our 5 senses and using them to help us find out about different foods, fruits and vegetables.
RE	Children will be learning about celebrations and festivals such as Advent and Diwali and why they are important. We will also be reading the Christmas story and finding out why Christmas is celebrated.
ICT	We will be practising opening programs and saving our work. We plan to use lots of different art programs to experiment with different techniques for drawing and creating effects. The children will also learn how to stay safe on the computer.
Topic	Our topic this half term is ' <b>Big Cook Little Cook</b> '. We will be exploring different food using all of our senses and making fruit salad. We will also be finding out how and where different fruits and vegetables grow and using maps of the world to find out where all of our food comes from and how it gets here. As part of our Enterprise project we will be turning our classrooms into cafes for the day for you to come and try some of our baking!

Special events:	
	Year 1 Christmas party
	Christingle service in Church
	Parents Meetings
