---------------------------------------	---

<i>Please remember to bring:</i>					
	Mon	Tues	Wed	Thurs	Fri
PE Kit		YES	YES		
Library Book	YES		YES		
Reading book	YES	YES	YES	YES	YES
Homework given					YES
Homework returned	YES				

This half term the children will be learning:	
English	Food poetry using alliteration, tongue twisters and onomatopoeia. We will also be reading and writing lots of stories based around food and using skills such as writing speech, captions and beginning middles and ends of stories.
Maths	Money, multiplication and division in a real life context of solving problems. We will also be learning about measures such as capacity and height. Halves and quarters using food.
Science	Food and growth. We will be planting and looking after seeds to observe how they grow and discover what things they need to grow successfully. We will also be finding out about where in the world our food comes from and the difference between fruits and vegetables.
Music	'Taking off' Discussing the differences between pieces of music and exploring pitch.
RE	Special foods - children's experiences at birthdays, weddings, Eid etc. Special meals in the home - recall Shabbatt; kosher foods in the Jewish home; Shrove Tuesday
ICT	Using an art programme and word processing skills to create a food fact file showing what foods look like, taste like and where they come from
Topic	"Ready Steady Grow!" Discovering where food comes from and how it makes its journey from the seed to the plate.

Special events:
