This half term the children will be learning:	
English	Poetry, biographies and persuasive writing. Children will be looking at different texts related to World War 1 and producing their own written work based on this.
Maths	Number e.g. Place value and rounding. Calculations (multiplication and division) Children will be learning various mental maths strategies and multiplying numbers, using whole numbers and decimals.
Science	Materials - children will be thinking about which materials were used during WW1.
Music	World War 1 music. Children will be learning songs from WW1 and thinking about musical instruments would fit best to these.
RE	Creation - children will be looking at different creation stories and will be thinking about their own actions when looking after planet Earth.
ICT	Research - children will be researching WW1 and creating power points to display what they have found.
Topic	World War 1. Children will be using research to find out all about the Great War that happened 100 years ago.
