This half term the children will be learning:	
English	Newspaper, Narrative and Poetry We will be reading newspaper articles linked to natural disasters and writing our own linked to these events.
Maths	Probability, algebra, converting measurements, data handling
Science	Dissolving, reversible and irreversible We will be using various materials and testing them to see if they can dissolve and once melted or frozen can it go back to its original form?
Music	Exploring sound sources The children will create their own music, using various instruments. They will begin by listening to different composers and discuss what inspired them to create their masterpiece.
RE	The Mosque including the role of Imam in the Muslim Community., the call to prayer, preparation for prayer and Friday congregational prayers. The importance of the Qura'n.
ICT	Media Project- Create a news broadcast Linked with our topic, children will be using various forms of media to record their broadcast and to create their own script.
Topic	Could you survive a natural disaster? Looking at different types of natural disasters, what causes them and how they affect people.

Special events:	
Tuesday 6th January	School opens

Notes: Please try and support your child in getting their homework done. This includes learning log homework, maths, times table practice and hearing you child read (recording this in their reading records). If you would like to discuss anything with us then make an appointment via the office.
