

 <p>Provision Area challenge:</p>	Can you act out being in space?
<p>Provision Area:</p>	Small World Role-play Area
<p>EYFS Framework:</p>	Uses language to imagine and recreate roles and experiences in play situations.
<p>Key Questions (for adults supporting play):</p>	<i>What's happening in space today? Has the rocket landed? What planet is this? Have the astronauts found anything in space? Are the aliens friendly? I hope nothing goes wrong!</i>
<p>Key Vocabulary:</p>	Space, astronaut, take off, landing, crater, planet, rocket, alien, space buggy, launch, countdown, stars, sun, moon, comet

 <p>Provision Area challenge:</p>	Can you pretend you are booking onto a Virgin flight into space and fill in a booking form?
<p>Provision Area:</p>	Writing Area
<p>EYFS Framework:</p>	Gives meaning to marks as they draw, write and paint. Uses some clearly identifiable letters to communicate meaning, representing some sounds correctly and in sequence.
<p>Key Questions (for adults supporting play):</p>	<i>Who would you like to take with you on the flight into space? How many tickets would you need? Can you tell Virgin why you would like to go into space? What would you be looking forward to the most?</i>
<p>Key Vocabulary:</p>	Booking form, tickets, seats, write, flight, space, friends, mum, dad, brother, sister, grandma, grandad

 <p>Provision Area challenge:</p>	Can you count down from 10/20 to take off into space?
<p>Provision Area:</p>	Maths Area
<p>EYFS Framework:</p>	Children count reliably with numbers from one to 20, place them in order and say which number is one more or less than a given number.
<p>Key Questions (for adults supporting play):</p>	<i>Can you put numbered cards in order to help you count down from 10 – 0 by yourself? Can you count the number of windows on the rockets to help you find number 10? What is one less than 10? Could we count up to 10 and see which number comes before? Can we count down to check we have put the numbers in the correct order?</i>
<p>Key Vocabulary:</p>	Countdown, counting down, counting up, count, rocket, blast off, number, order, before, after, first, next, windows

	<p>Can you make your own space rocket or space rocket control panel?</p>
<p>Provision Area:</p>	<p>Cutting and Sticking Area</p>
<p>EYFS Framework:</p>	<p>Constructs with a purpose in mind, using a variety of resources. Creates simple representations of objects.</p>
<p>Key Questions (for adults supporting play):</p>	<p><i>What can you use to make your own rocket/control panel? What do you need to have? What shapes are you using? How will you join those pieces together? What else do you need?</i></p>
<p>Key Vocabulary:</p>	<p>Space rocket, control panel, controls, buttons, dials, switches, body, nose, fins, shapes, cylinder, cone, join, fix, attach</p>
