

Hi Year 2,

We hope you've had a lovely Easter and are enjoying the time you are having at home with your families. Here is work we have set for you to do over the next week.

Don't forget the PE sessions with Joe Wicks, Monday to Friday at 9am on his YouTube channel. If you miss the live session you can catch up anytime throughout the day.

**Maths:**

We will be using the white rose home learning videos and work that is linked to the lessons. First watch the video, then do the worksheet either by printing it out or in a book then check your answers using the answer sheet given. Please use the website link below.

## Writing

- Write a review of your favourite book. Who is the author? What is the book about? Who are the main characters? What did you enjoy most about the book? Was there anything you disliked? Would you recommend the book to your friends?

## Topic - Chocolate

Can you create a fact-file about where chocolate comes from? You can research online or use books to find out as much as you can. There is also lots of information on YouTube. See if you can answer the following questions.

- Q1. What type of beans is chocolate made from?
- Q2. How are the beans harvested?
- Q3. What are the beans covered with before they are left to dry out in the sun?
