

Year 4 home learning - week 10

We hope that everyone had a super bank holiday weekend and that those of you who were celebrating Eid had a wonderful time. This year was a little different but I am sure you enjoyed spending it with your close family and hopefully you had chance to talk to your extended family through phone and video calls. Thank you to the parents who have been taking photos of any work and activities that their children have been doing. Fantastic work! Don't forget to email and let us know what you have been doing as well as sending photos of your work. Also look at the Newsletters on the school website to see which children we have been telling Mrs Smith about their fantastic work.

This week I will be putting two battle of the bands onto TTRockstars. I will put on a battle of 4D V 4HM. Please remind your friends in year 4. As they say 'Let the battle commence'.

The most important learning that your child can do each week is reading at least 4 times a week, learning their times tables and practicing the spellings that we set.

Please use Oak National Academy (the government site) as it is easy for children to follow with the videos. There are now assemblies and Faith at home sessions that you may wish to access.
