

ENGLISH

We begin this half term looking at Jack and the Beanstalk in order to recap our learning from Year 1.

We will then move on to dragon poems, character and setting descriptions and writing instructions.

SCIENCE

In science we will look at classifying seeds and bulbs and will begin to grow our own plants to observe throughout the year.

We will also be talking about health and exercise and ways to keep our bodies in tip top condition!

ICT

We will be learning to be safe online and communicating with others respectfully.

PE

Children will be developing their balance, co-ordination and dance skills this half term.

PSHE

We will be talking about what makes a good friend and what is bullying.

Adventures with Knights

Geography/ History

This half term we will looking at medieval castles and learning who built the first castles in the UK and when. We will also be finding out about the different countries that make up the UK and locating these on a map.

EVENTS

Parent information meetings Tuesday 15th September 2020 in the school hall.

MATHS

Children will be practicing recognising and writing numbers to 100 and beyond. They will also be learning the place and value of these numbers and begin to sort them into odd and even. We will be revising 10 more and 10 less than a number up to 100.

RE

In RE we are learning about the Christian story of Creation and responding in different ways, thinking about how God would like us to look after the world.

ART /DESIGN / MUSIC

We will designing and building our own castles with towers and moving parts in DT.

We will also be learning to pencil sketch castles and dragons in art.
