

## Year 5 Bubble Closure –28<sup>th</sup> September

Dear Parents and Children,

With our 'bubble' remaining closed until Thursday 1<sup>st</sup> October we will continue setting work daily to complete online as we did last week. This will follow the pattern of our weekly timetable:

Monday	Tuesday	Wednesday	Thursday	Friday
<b>English</b> Spelling Read Theory Grammar – online lesson plus activities	<b>English</b> Spelling Read Theory Grammar – online lesson plus activities	<b>English</b> Spelling Read Theory Grammar – online lesson plus activities	<b>Return to school</b>	
<b>Maths</b> Times Tables Online lesson MyMaths activities	<b>Maths</b> Times Tables Online lesson MyMaths activities	<b>Maths</b> Times Tables Online lesson MyMaths activities		
<b>ICT/PSHE</b> Purple Mash activities	<b>RE/Music</b> Creative response	<b>Topic</b> Online information Purple Mash activities		

### English

We have set a **spelling task each day**, revising spellings from Y4 (Monday-Wednesday via Purple Mash). We will be testing the spellings set via the website on Friday 2<sup>nd</sup> October in school.

Children should log onto the **Read Theory** website and complete a comprehension task **daily** Monday-Wednesday. On **Purple Mash** there will be a reading comprehension activity also linked to our topic as a homework activity– there will be a new chapter of this book added each week also.

On **Purple Mash** there will be a **daily** grammatical activity set for the children to complete. Oak Academy has an online lesson per day to complement these activities revising the Year 4 objectives: <https://classroom.thenational.academy/units/t2-word-level-objectives-8c26>

## **Maths**

Maths work can be accessed daily via **MyMaths** as before. There is an online lesson per day. Additionally there are set activities per day on MyMaths to complete. Children should also be practising on **TT Rockstars** daily to consolidate their times tables.

## **Afternoon sessions:**

**Monday:** On a Monday we do ICT and PSHE in the afternoon. Mr Clark has made a game which he would like the children to play and review as well as some programming tasks via **Purple Mash**. There is a PSHE activity on **Purple Mash** reflecting on rules. There are lots of new rules being introduced to fight COVID – what rules do you think we should have in school?

**Tuesday:** On a Tuesday we have RE. What questions do you have about the Creation story, the Big Bang or how life began? How many can you think to ask? We'd love to look at these in class so please email them to us or share them on the **Purple Mash** blog!

**Wednesday:** On a Wednesday we do science. There are a range of sorting activities linked to materials on **Purple Mash** – please complete them to show Mrs Horsley and Mr Clark.

And on Thursday 1<sup>st</sup> we can't wait to be back with you in school for our Bubble party! See you there! Remember to bring in any work you have completed at home to share with us as well as your reading books and planners.

In the meantime, please email any questions to us or contact us via the Purple Mash blog.

Looking forward to seeing you all back at school on the 1<sup>st</sup> October!

Mrs Mason, Mrs Horsley and Mr Clark
