

Consistent Financial Reporting (CFR) – Income, Expenditure and Balances

Heaton St Barnabas' Primary School

For transparency of financial arrangements we are required to publish a link to the schools' financial benchmarking website, where the school's Consistent Financial Reporting (CFR) statement of income, expenditure and balances are published by the DfE.

Please follow this link to our schools' information on the DfE's national school's benchmarking website:

<https://schools-financial-benchmarking.service.gov.uk/school/detail?urn=107321>

Here you can view the school's income, expenditure and balances as well as compare these with other maintained schools and academies. The information on the website is updated annually by the DfE using the Consistent Financial Reporting (CFR) statements that are submitted by the school to the DfE in the summer term.
