Early Closure on Friday's

Yesterday a letter went out explaining how we will be closing at 1pm for the next two Friday afternoons in order to maintain safe staffing ratios and provide children the support needed when they are in school. It is important that we appreciate the difficult position that many schools are in at the moment as staffing have to self isolate or indeed test COVID positive.

This is a small compromise we are making to ensure we are fully operational during the rest of the week and it is important that all pupils except the Key workers identified are collected promptly at 1pm.

All pupils who are able to stay have now been sent a text to confirm their place. If you have not received a text to confirm your place you **must** collect your child from the normal pick up point at 1pm. Thankyou for your continued support. *Mrs D Smith*
