

## A VIRTUAL HARVEST

Sadly due to the COVID restrictions we will not be able to have a Harvest Service this year as we would normally do in church, however we do not want to miss the opportunity to be able to give thanks for the food we have so this year we will video each year group bubble presentation giving thanks and put it onto the website to share with you. This year we ask you to bring in a tin which you can leave under the Gazebo outside every morning from today onwards so we can quarantine and send onto the foodbank. Thankyou

## ATTENDANCE

We are all aware of how difficult it is at the moment with local lockdowns and the worry of the increasing rise in covid cases.

Whilst we are trying to be understanding of this we must encourage all our school community to work together to get children back into school following so much lost learning. It is crucial we narrow the gaps caused so far as much as we can to ensure that it does not have a lasting impact.

Thankyou for your ongoing support.
