COVID Update..

As you will all be aware of the recent government decision to enter a national lockdown, I am sure many of you will be feeling anxious and concerned about keeping your families safe. We will as a school follow the government guidance and do everything we are able to make the school as safe as we can. In order to maintain this safety we need your support in ensuring that all members of our community follow the strict guidelines of the lockdown, staying home wherever possible to keep each other safe. This will mean not mixing with any other households and only going out to do essential shopping for food. We cannot control the safety of our children beyond our school doors, please help us to keep our school community safe. If anyone in your household shows symptoms please ensure all family members isolate for 14 days and do not send your child to school. Please read the full guidance on reverse.

REMOTE LEARNING

As we enter unprecedented times where there is the chance of bubble closures due to COVID we are looking at all the possible ways of being able to ensure that our children continue to receive opportunities for learning to take place.

Our website will continue to provide set learning activities and links to online learning set by your child's class teacher. Additional to this we have used Zoom & are in the process of setting up Microsoft teams to enable teachers to deliver online lessons in the event of a bubble closure. Teachers are doing their best to plan lessons for in school and online. Please check the school website at www.hstb.co.uk

Please ensure your child comes to school every day. If your child is poorly, please remember to call school on 01274 545019 option 1, to let us know the reason.

Parent Consultation Calls

This week you will be receiving letters with regards to our first parent consultation evening. This year unfortunately we will not be able to invite you into school and the meetings will take place in the form of a given time phone call. We will ask you for a best fit time and a contact number on which to call you. The calls will take place over the week commencing 9th November. Please ensure you complete and return the reply slips to secure a time to speak with your child's class teacher.
