

## **Remote learning (Year 6) – w.c. 23.11.20**

There will be English and Maths lessons on Zoom next week, beginning Monday morning at 9.30 am. Web links for online lessons will be sent to parents' email addresses before Monday morning.

**Geography** – Read the BBC Bitesize articles on GPS (Global Positioning Systems) <https://www.bbc.co.uk/bitesize/articles/zrkcvwx> , watch the animations and complete the short quiz activities. This topic follows on from our class learning about longitude and latitude.

**RE** – Read the information about our RE topic this term, the Kingdom of God, on the REQuest website <http://request.org.uk/jesus/parables/the-kingdom-of-god/#> Reflect on the three questions about the Parable of the Sower that appear at the end of the first section and write your responses to them in your Home Learning exercise book.

**Spanish** – Do the BBC Bitesize lesson on pronunciation rules.  
<https://www.bbc.co.uk/bitesize/topics/zvhxt39/articles/z7mytrd>

**Science** – Read the articles on BBC Bitesize about Electrical Circuits <https://www.bbc.co.uk/bitesize/topics/zq99q6f/articles/zt8vg82> and Electrical Circuits and Symbols <https://www.bbc.co.uk/bitesize/topics/zq99q6f/articles/zs7g4j6> . Watch the animations and complete the short quiz activities.

**Spelling** – Learn the spellings for Week 4 that have been stuck in your planner.
