

## Remote learning (Year 6) – Friday, 20.11.20

Please ensure the work set from the CGP books for Thursday 19.11.20 is finished. (Please also catch up on any unfinished work from the last bubble closure on 3<sup>rd</sup> and 4<sup>th</sup> November).

*There are no Zoom lessons on 19.11.20 or 20.11.20*

### Maths

Work through the Arithmetic and Reasoning Test 1a assessment papers.

### English

Work through the Grammar, Punctuation and Vocabulary Paper (Paper 1).

Pupils took home copies of all these papers on Wed 18.11.20. We have also added them to this web page.

Geography – watch the video about Antarctica <https://www.youtube.com/watch?v=t3StWheKtq8> again.

Using the notes you made in yesterday's Geography lesson, and some of the words below (yesterday's dictionary investigation task), write at least one paragraph about what you have learned about Antarctica.

Write a title for your work and, if you are writing about more than one aspect of Antarctica, use sub-headings for your paragraphs. **Check and edit your work for spelling, punctuation and sense before you finish your work.**

If you are able to take a clear photo of your written work and send it to us at [schoolclosure@hstb.co.uk](mailto:schoolclosure@hstb.co.uk), we would be pleased to read it and give you feedback. You could also type it up and send it as a Word or Powerpoint file. Please put Year 6 and your name in the subject line of your email.

Best wishes, and have a great weekend (in your house and garden!)

Ms Fernandez and Miss White
