<u>Method:</u>	
Smashing, crushing and hitting work well at this point. Tip: don't let go of the monster.	
<u>You will need:</u>	
Once you've really confused him, you can surprise him with an attack.	
While the beast is puzzled you can hide and study him. What is his weakness?	
Well done! You have successfully defeated a monster.	
When your opponent tries to find out who is hitting him you can pretend to be a mouse, a rat, an owl. This will be tricky so be very careful.	
First of all, don't bother with a sword. It will be no use to you because monsters are extremely strong.
