Headteacher: Mrs Diane Smith NPQH.

Proud to be a member of The Bradford Shine Partnership **Shine**\*

Dear Parents, Carer,

Instructions for logging on to Epic Reading: Follow either the laptop or android instructions. Search for Epic reading on google and then click log in as a student.

Class code for **3IW**: mel6851 Class code for **3S**: pgl3168

Once you have logged on you can explore hundreds of different books from a variety of different genres. Children can also listen to stories through the read to me selection. Epic school works between the hours of 7am - 4pm (which is especially important if your year group ever has a bubble closure). After 4pm you can access EPIC by signing up with a parent linked email address (For FREE!). Your child will have brought home a flyer which has is a **parent invite with full instructions** on how to to link your own email address. Once you have linked a parent email address your child can log into EPIC any time after 4PM still using their Epic school class code. Their reading experience will switch seamlessly between the two experiences depending on the time of day. (After 4pm children are able to access up to two hours free reading activity a week.)

When logged on (either through Epic School or Parent) click on the mail box icon at the top of the screen, you will see a set of books linked to the class topic. You can read any of these as many times as you want. In the event of a **closure** Mrs Wild, Mrs Ibrahim and Miss Sharp will also be able to set specific books to read each week and will be able to view who has completed each assignment and how long each child has spent reading. Teachers can also set quizzes relating to each book set. Each half term in addition to the homework that is sent home in learning logs there will also be an assigned book to read. From the book there will either be a quiz or a RIC to complete as homework.

I really hope that your child enjoys this resource as it will enable them to take advantage of a fantastic reading library. As well as completing set work children can select any books to read that spark their curiosity form fairy tales to comic strips.

Happy reading!

Mrs Bakal
