

COVID-19 ALERT

Please can we ask parents to ensure if anyone in their household is showing symptoms or going for a COVID test that you DO NOT bring your child into school at all. Everyone in your household must self isolate until you receive a negative test result or 14 days after self isolation if the test is positive. Sadly our recent bubble closures have been because a child has been in school whilst awaiting a test result but is the most infectious 48 hours prior causing bubble closure and reduced staffing. Please help us to get the issue under control.

Mrs D Smith

PARENT GOVERNOR

I would like to thank all the parents who came forward to be a parent governor. We had a significant number of votes and we can announce that Sofia Mushtaq was your elected Parent Governor. *Mr Ian Grant*

CHRISTINGLE SERVICES

In order to enable our special Christmas Christingle service to go ahead this year. We will be holding individual services in the hall led by Mrs Smith. We ask that the children bring in a large orange to school by Monday 7th December. We will provide the candles, tape and sweets to make the Christingle.

We will ask for a donation of £1 on the day of the child's service to donate to the Children's Society who support all families in local areas over the Christmas period.

National Elf Service

After such a tough year and our children experiencing bubble closures and a more restricted new school norm we wanted them to have a fun event to complete what has been a very tough term. The children will be involved in a virtual panto 'National Elf Service' video in their year group bubbles with staff dressed in characters from the online performance making impromptu entrances into classes, telling jokes, magic tricks, bringing sweets etc. further information to follow with dates and times.

ENDING 4th DECEMBER 2020
