Writing Speech

**Red Challenge:** Use the picture to write your own sentences of speech.

E.g. "I will fight you," shouted the boy.

**Yellow challenge:** Try to add adverbs or further detail to your 'said' clause.

E.g. "I will fight you," shouted the boy bravely.

**Green Challenge:** Try to make it a little narrative by including some description of the action.

E.g. The boy drew back his sword and said bravely, "I will fight you. I'm not afraid." Then the dragon roared loudly.

"Help!" screamed the girl from above.

"Don't worry. I'm coming to save you," shouted the boy.
