

Use this sheet to let a grown-up write down all your thoughts on this week's story.

- What can you see? What do you think these people are doing?
- Did you join in with saying thank you to doctors and nurses? What did you do?
- Can you think of some of the key worker jobs? What do people do in these jobs?
- Who else do you think is helping us to get through the pandemic?

18th-24th January
