

EY Resource

Look at some of the key worker jobs and people who are helping all of us during the coronavirus pandemic. How do you think each of these people help us? Do you know anyone who does any of these jobs? Can you think of any other people who are helping us through the pandemic? What job do they do? How do you think they help us?

Delivery drivers

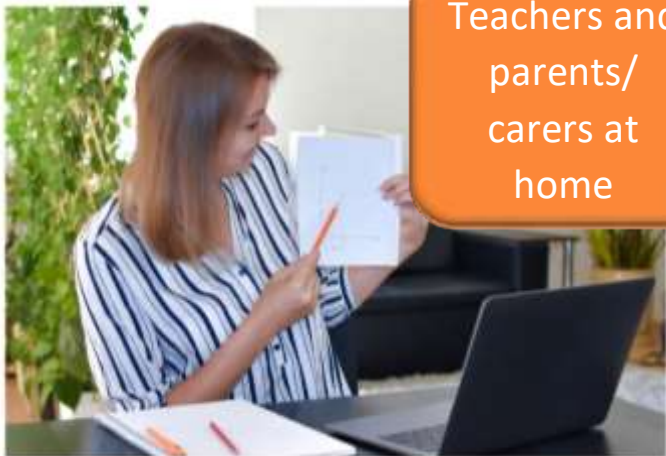

Farmers

Supermarket workers

Teachers and parents/ carers at home

Dentists

Doctors/ nurses and carers
