

Writing a Setting Description

This looks to me like a Victorian chimney sweep. I wonder where he is and why.

Your task is to write your own setting description using the picture above as a stimulus.

Make some notes to help you before you start: adverbial phrases – how, when, where. Use the work from this week and put it into your writing.

1. Adverbial phrases. 2. Punctuation - commas. 3. Adjectives to expand nouns. 4. Commas for

parenthesis.
