

Sorting Adverbial Phrases

Sort the adverbial phrases into when, where and how something is done (you can write on the sheet or in your book. Challenge – can you use them in a sentence?)

Under the mattress,	For seven years,	With a flick of the wrist,
On Wednesday,	Because you didn't finish your homework,	All along the road,
While we watched TV,	In France,	Since it's nearly home time,
Barking madly,	Long, long ago,	Round the corner,

When	Where	How
