

DECODE

Week 3

claws

deep

fur

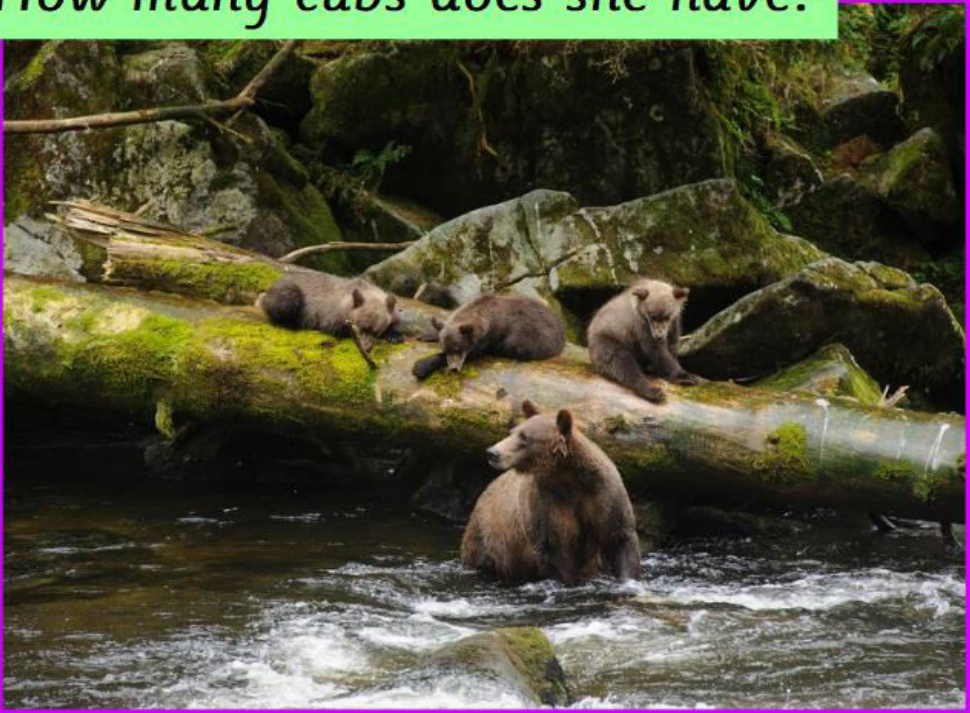

RETRIEVE

Where are the bears?

How many cubs does she have?

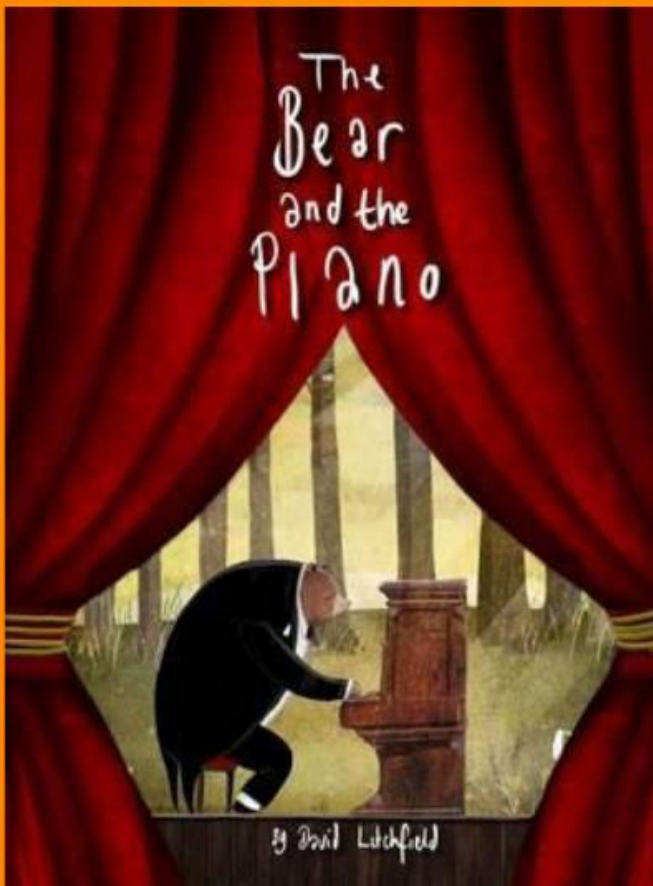

INTERPRET

What do you think they might be doing?

Echo reading:

Panda bears live in
China. They are black
and white.

*You predicted

*You discussed special words

*Now here is our new bear
story!

*Discuss front cover, title
etc and read/watch it on
youtube upto the bright
lights of the big city...

**I am back. I have
missed you so
much.**

**A girl and her dad
came across a
clearing.**

The bear's name
was up in big
bright lights in
the big, **bright**
city.
