

Create Your Own Flint Axe

A step by step guide containing everything you need

Step 1. Colour or paint axe head template, let it dry then cut it out.

Step 2. Roll up newspaper into a cylinder or tube, which is about 30 cm long. Tightly wrap tape round at both ends repeatedly.

Step 3. Cut out 1-2 metres of string

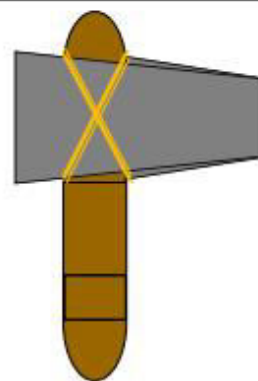

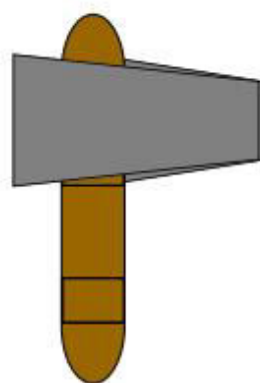

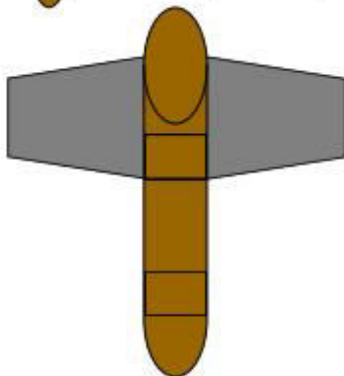

Step 4. Paint rolled up newspaper or cover in brown paper so it looks like a stick.

Step 5

Step 6

Step 7. Get an adult to staple it on the end to hold it. Wrap round string in a criss-cross style, tie the string.
