

RE Week 2

We are learning the importance of saying 'Thank You'

**When do we say
Thank You?**

**Why might these
people say
Thank You?**

When Jesus grew up he taught people about the importance of saying thank you to God...

**Feeding the
5000 story
from the bible.**

Why did Jesus thank God before he shared the food?

When do we give thanks to God?

Dear God, *You Are My Only*
this day, may I thank You for
all the love & blessings you
have given me: My loving
family, my caring friends, and
all the wonderful people I met
in my life's journey.
May I ask You to bless, protect
and guide them in overcoming
their challenges in life.

What do you want to say thank you for?

**Write to someone
to say Thank You.**

Little boy with his lunch,
How can it feed such a bunch?
One fish? No, two fish!
They will need a lot more fish!

Poem to read

They can't afford to feed the horde,
So Jesus prays to the Lord.
And God gives them what they wish!
Lots of bread and more and more fish!
