

What do Christians believe about God?

Why do some people believe in God and others do not? Lesson 2

What words would a Christian use to describe God?

eternal

almighty

fortress

dove

holy

peace

father

strength

rock

Holy Spirit

hope

shepherd

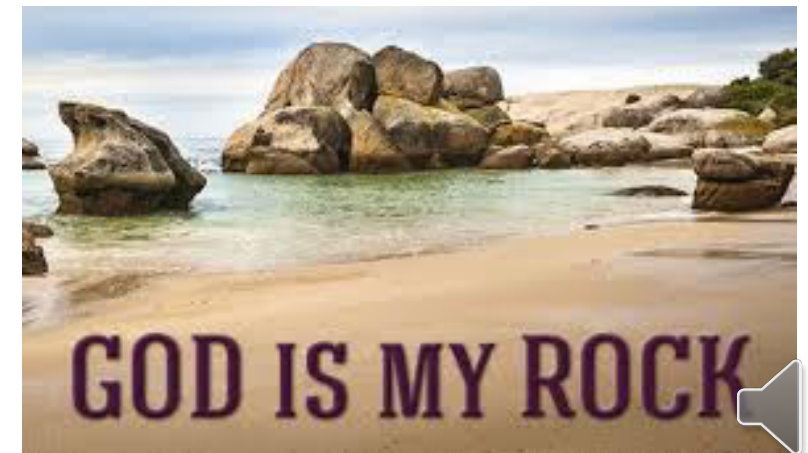

creator

support

Jesus

Holy Trinity

Let's think about these words and what they might actually look like today.

Some of the words were first used to describe God a long time ago and can be confusing to picture in your head.

For example look at the word **rock**.

It's hard to imagine God as a simple rock on the floor. What do you think people mean when they say *God is my rock*?

Independent task

Choose a word from the list and discuss what that word means. What would it look like if you were to describe God that way?

For example: **shepherd**

This describes God as a shepherd looking after people just like a shepherd looks after sheep. He provides food, water and safety to us.
