

Homework - Reception

This half term our topic is "Bear's big adventure". We will be learning about different bears across the world, where they live, what they eat and reading lots of stories about bears.

Below is a list of activities that you could complete with your child to help develop their understanding of the topic. We suggest that you choose just 1 or 2 of these projects...

- Design and create a new lunchbox for Paddington bear. Can you make him a healthy meal?
- Build a cave or a new home for a bear. You could choose a polar bear, a Koala or maybe a grizzly bear...
- Write a letter to a bear. What questions would you ask? What would you like to find out?
- Make your own porridge to give to the 3 bears! Can you make it even more tasty? Can you show us how to make it?

Please return your homework AFTER LOCKDOWN (updated). You could also upload photos to EExAT. Think carefully about which one you would like to do but most of all have fun!
