

Reception Homework 4

These are our special words to learn at home. The green words can be sounded out using phonics, the red words are tricky and children must learn to sight read them.

ship shop fish

dish van yak yell

yet

the my I me no

Can you write the words for these pictures?

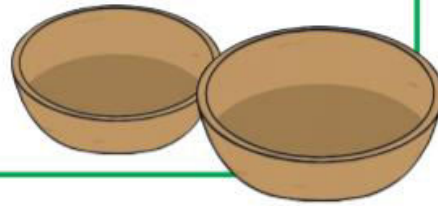

Maths challenge:

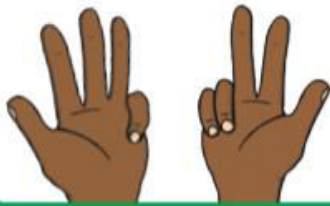

Finding the total in two sets by adding. These are some ideas but you can do this in different ways too.

Collect two bowls. Put three bananas in one bowl and two apples in the other. How many pieces of fruit do you have altogether?

Hold up four fingers on one hand and three on the other. How many fingers are you holding up altogether?

Go for a walk in the garden with someone from your family and take two containers with you. Collect five natural objects in your container and ask your family member to collect five different objects. How many objects did you find altogether?
