

## HEADTEACHERS' MESSAGE

It has been a tough term back since the Christmas holidays for all our school community and on Friday we will close for February half term with the hope of a full re-opening next half term.

At the moment we are still aiming towards the 8<sup>th</sup> of March as first instructed by the government, however we do not know what this will look like and how we are being expected to implement any new changes.

As soon as we have been given the information we will let parents know of our intentions. I am able to confirm we have been getting school ready and prepared for the re-opening in the hope it will be smooth for you all.

I would like to thank you all for the amount of support and understanding you have shown and the immense commitment to providing support for your children with their home learning.

It has been wonderful seeing all the emails sent through via school closure and photos of the children's efforts that I have been able to send forward to class teachers from worksheets to snowmen, biscuits and baking to stone age art work. It is great to see that when we have fallen upon difficult times we are able to come together to continue the work needed for our children. Thankyou and have a restful half term.

*Mrs Smith*

## COVID-19

Please note that all the related paperwork for COVID-19 can be found on the school website in School Information tab at the top of the home page then COVID -19. We will review and update these documents as and when required by the government. Thankyou

## COVID UPDATES

Thankfully we can see that the COVID cases are beginning to drop significantly and with the rising numbers of vaccines being rolled out we are hopeful we can begin to look forward to re-opening school next term as instructed by the government and local council.

If you require any support with regards to any COVID related issues, please do not hesitate to contact school and we will support you as best as we can.

Please can you ensure that if there are any COVID cases of pupils that you inform school as we do need to inform Bradford Council for track and trace purposes.

## FREE SCHOOL MEALS EDENRED VOUCHERS

Following recent government changes we have now replaced our weekly food parcels to all our families eligible to free school meals to the EDENRED vouchers. Please ensure that you check your emails and ensure that you redeem your vouchers.

We have now ensured all the weekend Asda vouchers have been sent out and if you are still not in receipt of this month's February's voucher please contact the school office.

Thankyou

## SUPERSTARS OF THE WEEK!
