

ICT - Tuesday 2nd March 2021

Thank you to those pupils who sent me pictures or videos of their chase games, however, I didn't receive as many as I would have liked.

Continuing from last week's Scratch tutorial, I have included a link (see below) for another tutorial all about how to create music.

[Scratch project](#)

Please take screenshots or use the snipping tool to take an image of your music and send it to me at peter.collins@hstb.co.uk

I look forward to seeing your work.

Mr Collins
