

Monday 12th April 2021

Welcome back! This term we are learning about the circus!

Some children are writing some instructions. Let's read them! What do you think they are for?

### Instructions:

1. Put two pieces of fabric together and sew around.
2. Fill the inside with stuffing.
3. Make the hair with long pieces of wool,  
and stitch onto the face.
4. Make the face: First stick on two felt eyes.  
Next stick on the felt mouth.  
Last glue on the red pom-pom nose.

The children have written instructions for making a clown pillow!  
We are all going to use our sewing skills to follow these instructions and make a clown pillow of our own.

Can you remember any of the instructions you just read?  
Let's read them again and learn them, using actions.

### Activity:

Write some instructions for making a sandwich.

Wednesday: RE day

Thursday: Maths day

Thursday 15th and Friday 16th April 2021

Today we are going to write the instructions we learned into our books.

Can you remember all the instructions?

What was the red writing at the top of the page?

What was first?

What was next?

What do we have to remember about writing sentences?

Use the lines in your books, write neatly, use finger spaces and write your instructions for making a clown pillow.
