

FRIDAY 12 NOON CLOSURE

Up until Easter we are continuing to close at 12 noon on a Friday to allow cover for teachers planning and preparation time. Unfortunately we still do not have a full staff team back in school and to ensure pupils are able to access the small group catch up sessions and boosters all staff are needed throughout the week.

We have a register of keyworker pupils who remained in school and we have sent a text out to all those parents to confirm a place at the Friday afternoon provision.

Thankyou to all our parents for being understanding and enabling the school to continue with this. We are hoping that we can begin getting back to normal very soon. We will be reviewing this after Easter and letting parents know whether it will need to continue.

COVID-19

COVID-19

Please note that all the related paperwork for COVID-19 can be found on the school website in School Information tab at the top of the home page then COVID-19. We will review and updat these documents as and when required by the government. Thankyou

SOCIAL MEDIA

We have had to deal with several issues with regards to pupils being on chatrooms online at home using unkind conerations and language. Unfortunately whilst we will do our best to ensure that we monitor everything on school equipment we cannot monitor personal media equipment. Please can we ask parents to montior the use of mobile devices at home and excersise some controls over what children are accessing freely. We want to reduce time taken to resolve issues that are not school related to be able to ensure pupils are concentrating on getting back into school and catching up on lost learning. We have also asked the PCSO teams to come and speak to the children with regards to acceptable use of online resources and online bullying.

RED NOSE DAY!
