

NEW SCHOOL ROOFING!

After 7 years of putting in desperate pleas to the diocese for work on our school roof we have finally been given the funding and go ahead and since January have contractors have been surveying the area for Phase 1 of the works to be done. Risk assessments have been undertaken and clear guidelines set between the school and contractors.

The first phase will begin over the Easter holidays and that part of the school's roof will be removed and covered whilst the children are off. The contractors will set up their station to the very rear of the school staff car park away from the children and school and will only need access to the exterior area once works over easter have been completed. There will however be scaffolding around the year 2 and 3 area and year 4 cloakrooms but this will be carefully set up to ensure safe access for pupils into school.

RED NOSE DAY!

Thankyou to all our school community for being so generous last Friday. We are delighted to share with you that we raised an amazing **£569.51**

We appreciate your kindness and support!
