Add -ing to the words on the first line, add er to the words on the second line, add est to the words on the third line and add ed to the words on the last line. Be careful to remember the spelling rules.

Add ing/er/est/ed to the root words:

fly _____ glide _____ clap _____ shout _____

high _____ low _____ loud _____ bright _____

high _____ happy _____ loud _____ brave _____

lift _____ stop _____ jump _____ clap _____

Now write some sentences using some words with the suffixes added.

Here is an example:

The amazing acrobat was **flying** through the air as the audience **clapped** and **cheered**. Happier louder
