

The Volcano

Listen, listen, to the mountain
It is **rumbling** deep inside.
Listen, listen, to the mountain
It is **grumbling** deep inside.

It is time, it is time,
For the mountain to **erupt**.
It is time, it is time,
For the mountain to **blow up**.

Red hot lava thrown out
Reaching up into the sky,
Red and glowing like a fireball,
Can you see it, way up high?
