<u>Presentation</u>	Excellent	Good	Improving	Poor

Over the next two days, use your ideas about Haworth to write a travel brochure to persuade people to visit. Remember to use **all the features** and to organise it into **paragraphs**. Take your time - don't rush it and produce something that is of poor quality - I want to see these pieces of writing when we return to school. You could type your finished brochure and e-mail it to me at l.britchford@hstb.co.uk
