

# Geography Lesson Plan

Year Group 8

Lesson No. 1

Class A

SEN? Details on class lists

## Lesson Title

### Getting to know Italy

## Lesson Objectives

All will - consider their own ideas about Italy

Most know - some of the physical features of Italy

Some will- begin thinking about how the physical features might influence the human factors

## Lesson Content

1. STARTER - Link some European countries with their flags from the PPP
2. HOMEWORK - Create a collage about the things they already know about Italy
3. ACTIVITY - Pupils should produce a spidergram/list of all the things they already know about Italy
4. DISCUSS - Discuss their lists and create a list/spidergram on the board to see what they are coming up with. This is likely to be stereotypical things so link this to why we are learning about a specific country
5. MAPPING - Using atlases pupils should fill their A3 maps of Italy with information about the country. Specifics can be decided depending on the class
6. PLENARY - 'Unique Italy' There is a video on the PPP of some painters in Italy. This is simply to give pupils a final insight into some of the key cultural aspects of Italy before undertaking their collage for HW
7. POST-PLENARY - compare class room behaviour to the expectations and distribute reward points accordingly.

## Differentiation

Level of detail expected on map

## Resources

PPP

Atlases

A3 maps of Italy
