

Year 1 October half term Homework

How to make half term feel like half term

- Turn off your alarms (if you can)
- Put laptops away as much as possible
- Make time for a big family brunch
- Have fun with food and take a long time eating
- Get active and move your body
- Have a whole pyjama day
- Have a Great British Bake Off baking afternoon
- Admire the trees on an Autumnal walk
- Have a family movie night with ALL the snacks
- Go on a seasonal scavenger hunt
- Let the kids choose a special activity each day
- Check in with yourself and make time to meditate
- Finally put all those family photos into an album
