

Week 4/5

Alternate weeks due to forest school

Starter activity:

Look back at the printing we did last week
(in sketchbooks)

Annotate:

In this lesson we were trying out different
mark making with block printing.

I think my prints are...

Next time I design a print I will...

As I was printing I found it hard to...

Creating a design

Today we are going to design a print that for the sea.

What marks will you use?

Look at these sea prints. What could you magpie?

Creating a design

On white paper, sketch your design.

Don't make it too big or too small.

Try to use different textures and marks to achieve the effect you want.

Next week: printing this design
