## RE: NEW PUPIL REPORTS 2022

Dear Parents / Carers,

We have decided to make some changes to the way we report back to parents to try and give a clear picture of how your child is performing both academically and socially. Normally we would send the reports out before half term but the new report will go out on the 17<sup>th</sup> March 2022 prior to the parent consultation evenings to allow parents to discuss anything raised from the report.

The report will show where your child was at the end of the last school year in the Summer and this year in the Autumn Term and for this Spring Term so that you are able to see the progress your child is making. There will be a general comments box and next step targets. Additional to this there will be an attendance box showing your child's attendance. All pupils who are below 90% Attendance will be provided with further detailed information and guidance.

We hope to send out the new format termly (3 times a year normally) Autumn, Spring and Summer and for it to be more insightful for you as parents and enable teachers to communicate progress across subjects more effectively.

Yours Sincerely,

Mrs Diane Smith  
Headteacher
