

Triangles (**GROUPED TOGETHER ACROSS BOTH CLASSES**)

As a group practice counting in 2s around the table - play hot potato with a bean bag.

Match the socks into pairs and stick into books as a long numberline.

Ch then practise writing the numbers under each pair of socks 0, 2, 4, 6,up to 20. Practise counting the numbers so children are confident.

Fill in the missing numbers using the socks number line to help.
