

Hey Duncan,

It's me, Red Crayon. We need to talk. You make me work harder than any of your other crayons. Don't you think that's unfair?

All year long I wear myself out colouring fire engines, apples, strawberries and everything else that's red. I'm the most used crayon in the world! Put me down and pick up a different colour!

I even work on holidays. I have to colour ALL the santas at Christmas and ALL the hearts on Valentine's day. If I don't get a rest soon, I'm going to die!

Your overworked friend,

Red Crayon
